To everything there is a season and a time for every purpose ...

It is hard to believe that this is a season for making widespread cultural changes - it truly is a paradigm shift. There seems a convergence of circumstances that are resulting in tremendous social, economic, and psychological shifts demanding to be made.

This is a season of seeing how we ourselves make changes as well as how our friends, family, neighbours and strangers deal with change. The changes we were willing to make in the short term are now looking to be much longer term. We now speak of a Covid era.

Black Lives Matter started as a response to certain events and now it is being described as this generation's civil rights movement. Mental health issues, addiction, homelessness seems to be spiraling out of control. And any solutions that are attempted raise another round of issues. And it continues to rob people of life in every way.

Into this season of upheaval comes the September newsletter of Broad View United. We hope that this newsletter and the material that is presented here will be like the chrysanthemums in the garden - a positive harbinger of fall season coming.

Please read through all the leaves in this edition. But do not tarry over these words, for the program guide is also being released in this new season that is upon us.

Bless your hearts and homes and families, Cheryl and Mark

Children , Youth & Family

KIDS PROGRAMS

Will be taking place at the Arbutus Site on the First Sunday of each month while the concert is going on in the sanctuary.

-Babies and toddlers aged up to 2 years old will have a caregiver in the nursery.

-Kids from ages 3 – 12 will meet in the gym. They will be divided into age groups and take part in faith exploration through games, crafts and story telling based on the same theme as the adult worship. There will be an interactive web site and an at home activity kit available every month based on the same theme.

Pre-registration for the kid's program is encouraged but you are also welcome to just show up. To register please visit www.broadviewunited.com

YOUTH GROUPS @ THE ARBUTUS SITE

- Jr (gr 6, 7,8) meet every second Fri starting Sept 25 from 7pm – 9pm.
- Sr (gr 9 – 12) meet every second Sun starting Sept 27 from 7pm-9pm.

Youth groups offer a safe space for friendship and fun and new ways of being with peers through conversations, games and snacks. Everyone is welcome!

PARENT AND TOT PLAY GROUPS

A free program for parents/caregivers and children up to 4 years of age.

We meet every Wednesday from 9:30am -11:30am at the Arbutus Site and every Monday at the Cedar Hill Cross Site. We have lots of space and a

variety of toys for little ones to play, socialize, learn, laugh and develop. Due to Covid restrictions we will not be offering a communal snack. Start date is Oct 12/14 respectively. First come first serve with a max of 20 children.

YOUNG ADULTS @ THE ARBUTUS SITE

For young people ages 19-30 years. This year we will meet on the 1st and 3rd Sundays at the Arbutus Site at 12:30pm following the concert. We will share lunch together (must bring your own during covid) and build community together through discussion of topics relevant to your life and experiences. Start Date will be Sept 20th. GORDON HEAD UNITED PROPERTY - WHAT'S HAPPENING?

BVU Council has engaged realty firm, NAI to begin the process of property sale and has appointed council members Andrew DeLong, Doug Koch, Revs Cheryl and Mark to help select an offer in best interests of BVU. Final sale will be subject to review by BVU Council, Trustees and the Pacific Mountain Region of the national church. Unlike a conventional home sale, signs will not be posted on site. Persons with an interest to purchase can contact NAI's Kevin Pirie at 250 381-2265 ext 26.-Doug Koch

VISIONING. IMAGINING. REVISIONING. REIMAGINING - Bldg Reimagining Committee

Over the past months, your Building Reimagining Committee has been fully engaged in developing a plan that incorporates as many of the congregation's suggestions as possible while staying within our budget goals. As has been shared recently, the first round of the design process resulted in a beautiful, very functional plan. Call it 'the big dream'. We needed that big picture to be able to ask professionals about costs and requirements. Perhaps not surprisingly, in 21st century dollars, the 'Big Dream' involved more resources than the Committee or the community could support. So, with a much clearer sense of possibilities, your committee is back at the drawing board, Reimagining.

From the large number of diverse suggestions the community offered, several stand out as key:

- **In our worship space:** a desire for a connection to light and nature in a sanctuary that creates a welcoming and sacred space, and good technology and sound to support both the quality and accessibility of worship.
- **To support our shared programs across the full facility now and in the years to come:** The design must take into careful consideration the accessibility needs of all who use the building, as well as to provide space for the amalgamated staff. Your Reimagining Committee is working toward flexible large and small spaces for church and community activities all while being mindful of our eco-footprint.
- **Safety is another significant part of design development:** Flowing from structural engineering input received regarding the need to address current requirements (and community care) for fire and earthquake safety.

All of these requirements are coming together in a new set of design plans. Before these plans are shared with the congregation, more needs to be done to explore key issues such as costs and permits. When the Committee has a plan that is feasible, you will be invited to review it and provide your thoughts before it is finalized. Dates for your review have not yet been set but stay tuned as in spite of summer and COVID, the Committee is working to keep things moving ahead over the Fall.

What's Happening

FALL OUTLINE OF WORSHIP AT BOTH LOCATIONS:

The Worship Team has adopted the following outline for Sunday activities, some of which are on-line and some are in person. All are planned conscious of the uncertainty of Covid 19 and with an awareness that if we have to pivot we will do so.

We are attempting to give each of our 2 founding worship services a name that captures their essence. At this point we are proposing the following:

- * Cedar Hill X Service will be named "**THE BRIDGE**" since it attempts to 'bridge' traditional and contemporary United Church worship styles using hymns both old and new, will incorporate both piano and organ music, and will be familiar to people who have attended church previously.
- * Arbutus Service will be named "**THE CONXION**" since it attempts to connect the sacred and secular traditions using music from all spheres that touches the human spirit and supported by a band. Particular attention given to have a consistency of progressive theology integrated in all aspects of the service using video clips and other media as well.

Key Points

1. Worship Experiences will be delivered online on our YouTube channel (starting Sept 13)
 - ~ The Arbutus style= **THE CONXION**, will be a live link as soon as it is upload on Friday
 - ~ The Cedar Hill X style=**THE BRIDGE**, will be a live link at **9am on Sunday** mornings so viewers can gather at that time and use the chat function while watching the service
2. For the most part programs at the Arbutus Site will happen on the 1st & 3rd Sundays and at the Cedar Hill X Site on the 2nd & 4th Sundays.
- 3, **Children's Program** will be in person on the 1st Sunday of each month at the Arbutus Site starting **Oct 4th** with the remainder of the encounters online in a virtual classroom with a monthly thematic home pack being made avail
4. **Young Adults** will meet in person 2x a month (1st & 3rd Sun @ Arbutus starting **Sept 20th**) with the rest of the encounters being virtual.
5. **Jr. & Sr. Youth Groups** will meet in person on the 2nd and 4th Fri & Sun of each month @ the Arbutus Site starting **Sept 25th**
6. **Concert Series**– we have combined our longing for music and our longing to sit in our sanctuaries to be met with a weekly 30min live concert series. 1st & 3rd at Arbutus and 2nd & 4th at Cedar Hill X starting **Sept 20th** (Arbutus). You must **pre-register online at www.broadviewunited.com** and there is a limit of 40 people per concert. Masks must be worn, physical distancing will be ensured by reduced seating options and only those performing will sing. Those attending simply enjoy. Childcare can be requested for any of the concerts when you register online.

Worship Outline Continued...

6. **Intergenerational Drumming Circle** - a bi-monthly opportunity to create music through drumming will happen on the 2nd & 4th Sundays of the month at 2pm at the Cedar Hill X Site starting **Sept 27th**. **Pre-registration at [www.broadviewunited](http://www.broadviewunited.com)** is mandatory as numbers will be limited. Masks must be worn for the duration of the time and instruments will not be shared between participants. Each week we will limit to 25 and Cheryl Dennett will provide leadership.
7. **Community Coffee Time:** Three weekly community coffee times will be offered for congregational members to drop in, chat and share stories and get to know each other. The last 15 mins will have space for folks to ask clarifying questions about the church and the ongoing amalgamation process. Two will be offered in person from 10:30-11:30am at the Cedar Hill X Site on Tuesdays starting **Sept 15th** and then on Thursdays from 10:30-11:30am at the Arbutus Site starting **Sept 17th**. The third will happen on Tues online through Zoom at 1:30pm and you can register online for this at www.broadviewunited.com

The chart below will help illustrate what is happening and when.

	Cedar Hill X Site	Arbutus Site	Online
Sunday	9am Worship with chat 11am Concert Series (2nd & 4th) 2pm Intergenerational Drumming (2nd & 4th)	11am Concert Series (1st & 3rd) 11am Children's Program (1st) 12:30pm Young Adults (1st & 3rd) 7pm Sr. Youth (2nd & 4th)	2 Worship Services: * The Bridge * The ConXion Children's Program - Interactive Virtual Classroom

INTERCULTURAL

The Intercultural community at Broad View United has been keeping up with their activities online since the lock down and will continue our connections during the coming Fall and Winter seasons:

- **Business Mentoring Conversation** – Every Tuesday between 5:30-7pm
- **Basic English Conversation** – Every Thursday between 2:30-4pm
- **Intercultural Workshops** – TBA

Please register for these programs at www.broadviewunited.com or contact Julie if you are interested to learn more details about any of the Intercultural program and activities at julie@broadviewunited.com or by text at 250-858-9448, or one of the social media platforms: Facebook Messenger, WhatsApp, or WeChat.

CONGREGATIONAL CARE TEAM (FORMERLY PASTORAL CARE)

We are in the beginning stages of discerning the mandate of this new team. Broad View United has been blessed with the legacy of loving and supportive care from both our founding pastoral care committees. We are grateful to all those who have shaped this important ministry, to this point in time, and are keen to continue reaching out with love, compassion and understanding as we walk together.

Going forward we envision offering spiritual care and companionship in a variety of ways including visits, phone calls, prayer, cards, prayer shawls, as well as programs that enable people to receive support and make connections when navigating life's transitional times.

We are excited to welcome the following folks who will comprise the new Congregational Care Team: Puddie Curtis, Bonnie Davoren, Rosita Dworshak, Edna Hamilton, Beth Klick and Helen Pinel. Staff who will relate to this team are Betty Anne Dempsey and Margaret Harper.

If you have a pastoral care need or concern, please do not hesitate to reach out to Betty Anne Dempsey or Margaret Harper

TOWN HALL ONLINE MEETING - THIRD TUESDAY OF THE MONTH

Once a month, we will host a online Town Hall meeting with a particular topic regarding our progress in Evolving Together as the Broad View United Congregation. This hour long meeting will feature a presentation by a guest for 15 mins or so and will be followed by a moderated Q & A session. Watch the Friday Email for the link, the topic and the Guest.

NEW COVID GUIDELINES FOR ALL BVU SITES & PROGRAMS FOR THE FALL

In consultation with the Worship team, the Educational Programming Team and approved by the BVU Board, the following protocols have been adopted for in-person programs, activities and meetings:

1. Entry into the building sites will be limited to those attending a program, who have an appointment or are there for a volunteer activity for which they are expected.
2. No one who is experiencing any symptoms of being unwell or having travelled out of the country in the last 14 days or who has been in direct contact with someone who has tested positive in the last 14 days will be allowed on site.
3. Everyone who enters the building will be required to be masked, sign in at the entrance with the date and time they arrived and sign out again as they leave. Masks will be provided for those who do not have their own.
4. Everyone will be asked to sanitize their hands with sanitizer provided and move directly to the program area or meeting they are involved in. Social distancing rules to be adhered to of 6ft between persons.
5. For educational programs, everyone must register in advance to attend in person programs and there will be a maximum established for each program. This enables us to adhere to the limits of our spaces as well as provide contact tracing should it become necessary.
 - a. Everyone will be required to sanitize their hands upon entering and be wearing a mask. Once you have made it to your physically distanced seat in the room and everyone is seated, masks may be removed for the conversation and duration of the class. But as the class ends, masks must be donned once again for the leaving of the room and the building.
 - b. Everyone attending will be asked to sign a declaration each time that they have not been out of the country or had contact with anyone who has tested positive in the last 14 days. They will be asked to attest to not having any fever or other signs of illness.
 - c. Beverages may be brought to the program in participant's own cups but will not be provided. No hospitality will be possible at this time
 - d. Participants will be asked to limit what surfaces they touch coming and going in the building and restrict their attendance to the room and bathroom if necessary.
 - e. No program supplies will be shared.
6. Bookings for small groups who wish to meet in person in either the Arbutus Site or the Cedar Hill Cross site, must book in advance through the respective office to confirm space and numbers. Groups will be expected to adhere to the guidelines set for Educational Programs as per #5 above.

BVU TEAMS

This article contains the list of teams, their members and the staff liaison for each team. We are hopeful that all the Teams will be activated for their first meetings in the month of September. The staff person will initiate the setting of the first meeting and the group will decide if they are comfortable meeting in person or would rather meet via zoom. A few of the teams need new members and we welcome expressions of interest. Please send them into the **church office** and they will be forwarded as suitable.

Since we are now a large membership community we are limiting each person to have only one Team appointment at this time. As the ministry work of each of the teams gets started and we have a chance to see who is doing the work and where newcomers connect we will identify additional members where needed. Thank you for volunteering and for your willingness to take part in building and shaping BVU's ministry.

Nine small groups are up and running. Four basic groups, and the following theme groups: Climate & Environmental Justice, Reconciliation & Indigenous Issues, Progressive Christianity, Exploring Spirituality and Justice.

Many of the groups have used the summer weather as a chance to meet in backyards, where it has been possible to physical distance. We are hoping that some of the groups will be able to meet at one of our two BVU sites this Fall, for those who feel safe to do so. Other groups will continue to meet over Zoom. We also realize that not all folks feel Zoom gives them the 'connection' for which they were hoping.

Our Facilitators continue to connect via Zoom each month to support and encourage each other. We are learning as we go. Healthy groups take time to build relationships of trust and support. As groups gel and bond, group members learn to contribute their commitment, energy and spirit. One way to measure a healthy group is a group where the ownership and success of a group rests with all members, not solely the facilitator. Not all members will feel that their group is a 'match'. We hope that folks will give a group a fair chance, over several meetings. We also recognize that some people will decide to leave a group, and may even want to try a different one. Our hope is that you would be able to communicate this with your group facilitator.

We are wanting to launch some new groups this Fall. Some themed groups and several more basic groups.

- **An LGBTQ2S+ Small Group:** If interested, please contact Margaret Harper at margaret@broadviewunited.com or 250-477-2715
- **A Spirituality & the Arts Small Group:** If interested, contact Margaret Harper margaret@broadviewunited.com or 250-477-2715
- **A Small Group for those who are new to faith/church:** contact Margaret Harper margaret@broadviewunited.com or 250-477-2715

We are still working on finding a group for everyone who initially expressed interest, as well as open up the process for others who may now want to join! **To this end, we will be offering some in-person gatherings this Fall to explore these options together. Stay tuned for dates! If you would like to speak to someone NOW about SMALL GROUPS, please be in touch with any of the contacts listed at the bottom of this page.**

Because our two church libraries (Arbutus and Cedar Hill X) will merge when we move into our renovated building, we needed to pare them down to fit in the future space. So, library workers, Louise, Andrea, Maureen and Eileen have “weeded” out titles which have not circulated, or are dated, or are duplicates. The destiny of these books is yet to be decided. The resulting amalgamated library will still be very rich in materials that support our progressive mission .

FINANCIAL UPDATE

We are in the same storm – but in different boats.

We say “we’ll get through this” and yet grieve that so many will not.

We say “we are in this together” and yet know that huge chasms face us in our journey.

Creator be with us. Shelter us in our hopes and intentions.

Financially Broad View United has taken actions, since the May union, to be financial responsible and to be as caring and understanding as possible. Much of the navigation through the storm could not have been realized without the help and guidance of the financial group at the head office of the United Church of Canada. At last count we have had twelve “zoom” meetings since mid-March and two one -on-one zooms with UCC Chief Financial Officer.

Profit and Loss Statement to the end of August 2020.

Considering the storm, we are healthy. Income “inflows” are obviously less than last year; but this has been offset by much lower monthly costs. Both the Arbutus location and the Cedar Hill X Roads location (prior to amalgamation) applied for and received a government loan of \$40,000 each. As at the date of this writing these sums remain as a “safety net” and are available should needs arise. Also, both campuses were able to qualify for the Canadian Employment Wage Subsidy (CEWS). This grant has stabilized our wage costs and remains in effect until the end of November.

ProVision Application.

BVU was successful in our application to acquire more funding under ProVision grant. These funds will allow us to achieve our dreams and accomplish our mission going forward. We presently have some \$66,000 available for designated future programs.

Looking Forward.

As the summer is drawing to a close, I should mention how satisfied we all were with the Canadian government Summer Student Program. Once again these young adults brought an energy and a focus that was appreciated. Thank you Josh and Alexis. Presently we are busy updating and revising our Statement of Accounts and various connected “software applications”. The result will be a more user friendly and more comprehensive reporting. Various ministries are beginning and their budgets and proposals are arriving on my desk. Fantastic, BVU is re-awaking as the storm eases. The Finance Committee will be meeting to receive these requests and to begin the budget planning for 2021. That is good news. In closing, should you have questions or comments, please feel comfortable in approaching me. I will try to answer or find an answer to your concerns – take care and be safe as we go forward.

PROGRAM BROCHURE - FALL 2020

The new Educational Programming team met in August via zoom to talk about this coming year and what programs we could and couldn't safely offer, what the needs were that we were hearing about from others and how we might faithfully respond to those. We decided that with everything in so much flux, we would only try and put together a selection of programs for the fall of 2020 and then evaluate midterm as to what platforms and options we might offer for the first half of 2021. With so many unknowns this felt like the most faithful response for the fall.

We know that some people are in great need to see other human beings in person and to have the classroom type discussions where people can see the faces of the others and interact in a more conversational style. Still others are wanting the conversation but would prefer that we do so with online platforms feeling that any in-person gatherings are not yet safe. We have tried to balance those needs and offer both possibilities for the fall.

You will find all the details for the various programs that will be available this fall in the new Program Brochure. This will be published near the beginning of September. We are still in the midst of pulling details together but we want you to watch for it. It will be available online on the new website (broadviewunited.com) and in a published paper format so that everyone can access it. Links will be in the Friday email when it is ready to go and paper copies can be requested and mailed to those asking for such.

Programs will include :

- ⇒ Spiritual practices – learning and deepening
- ⇒ Systemic Racism discussion and exploration
- ⇒ Intergenerational drumming
- ⇒ Spiritual growth and personal insight
- ⇒ Book studies

Evolving Together
Program Brochure
September – December 2020

Broad View
— UNITED —

WORSHIP THEME

Evolving Together is the overall theme that will focus our worship life in this coming year. Following a day long process of discernment the core staff team came up with this theme in recognition that our work this year is to evolve from two separate beings to one community. We took the formal step of amalgamation on Pentecost Sunday, May 31, and the summer has been spent in merging the organizational structure. Once the restrictions were relaxed somewhat we began the small groups and invited people to outside gatherings. The work of getting to know each other's names and the first glimpses of our stories has begun in earnest. People are venturing between the Arbutus and Cedar Hill X sites and realizing that both of these sites are 'us'.

As we take the general theme of *Evolving Together* we'll take it step by step throughout the months. In September we'll ask: What are our Starting Points? And we'll look at the story in Luke (9:1-6 and 10:1-11) of the disciples being commissioned and sent out to do their work and the rejoicing when they return. No doubt there will be gems shared over the 4 Sunday's of September -make sure to 'like' our Broad View United channel on YouTube and mark it as one of your favourites.

THE HUB

The Vision for the Cedar Hill X building is to create a dynamic hub of community organizations located on the lower floor. These organizations/groups will be chosen because of the way they integrate with the goals of BVU.

This will leave the upper floor, once it is renovated, primarily for the use of the BVU community. Here is the process laid out by the Project Management Team and adopted by the Board in the spring.

Step 1: The intent of our partnerships is to engage with partners who can support our work and help maximize our successes. This includes: 1) augmenting our impact by bringing unique skills, perspectives, experience and relationships to the table; 2) building synergies with existing programs, initiatives and activities; and 3) reciprocity and mutuality in our programming.

Step 2: Partner identification process. We will reach out to a wide array of non-profit networks and organizations to inform the sector of our intention to provide space for partners on site. Potential partners will be invited to submit a letter of intent that briefly outlines how they align with our desired outcomes. (Update: we sent out more than 35 invitations to different groups and organizations)

Step 3: Partner selection process. Partner letters of intent will be used to screen potential partners. This information will be used alongside the decision-making matrix below.

There is an somewhat elaborate point system that allows the group making these decisions to rate them... this is more information that we need in a newsletter so I'll spare you the details. Darcy Wingrove and Kelly Orr join Mark and Cheryl on this small group recommending on site partnership groups.

BROAD VIEW THRIFT STORE

The ball is rolling! We are getting set to start renovations on the Thrift Store. The architect is hired and is already guiding the permit process through Saanich. A contractor has been hired and will begin work in early September as the permit arrives. The renovation time is about a month and then setting up shelving and getting ready for a grand opening is another month. This tentative timeline gives us something to work with and a direction to go. Another step on our journey... No further donations or sales will happen until the grand-reopening! Stay tuned!!
